Madam Eiko Kondoh had started this picture competition 10 years ago. This has attracted Nepali students very strongly towards the programme. Every year the title of this competition vary. The titles also touches the heart of every student. I hope this programme continues forever.

नेपाल जस्तो विकाशोन्मूख देशमा आएर जापानिज नाजरिक EIKO KONDOH ले विभिन्न प्रकारको सहयोज र कार्यक्रम जर्नु भएर नेपाली केटाकेटी ज्यादै नै खुशी र लाभानिवत भएका छन् । चित्रकला प्रतियोजिताले बालबालिकामा भएको प्रतिभालाई उजाजर जर्ने अवसर प्राप्त भएको छ ।

マダム近藤栄子は10年前に絵コンペ始められたが、ネパールの学生たちはこのプログラムに向けて強く引き付けられました。毎年、多様に変えられるコンペのタイトルは又学生たちのハートを感動させるのです。

私は このプログラムが、ずーっと長く続くことを願って止みません。 (彼こそ絵コンペの言い出しッペで、私立校の子もネパールの子だから……とも/E.K.)

He was the one to give me good suggestion to inculde private school also in this picture competition. Because the children from private schools too are Nepalese.
